Review of Final Weapons Storage Area Background Study

Dear Mr. Vasquez:

The Texas Natural Resource Conservation Commission (TNRCC) has completed our review of the document titled *Final NAS Fort Worth JRB, Texas (Formerly Carswell AFB, Texas) Weapons Storage Area Background Study* dated January 1998 and received by the TNRCC on January 21, 1998. In addition to our review of the referenced background report, the TNRCC also reviewed comments received from EPA Region 6 dated February 2, 1998 and March 19, 1998. Based upon our review, the background UTLs for total petroleum hydrocarbons (TPH), Radium-226, Radium-228 and Total Radium as shown on *Table 4-1 Summary of Background UTLs with Comparison to Maximum Concentration Detected in WSA Supply Wells* is approved for use in the investigation of the Weapons Storage Area.

If you have any questions regarding our review, please contact me at (512) 239-2360, Mail Code MC 127, e-mail mweegar@tnrcc.state.tx.us.

Sincerely,

Mark A. Weegar, Project Manager
Corrective Action Section
Remediation Division
