Dear Mr. Weegar:

I have completed a review of the document, "Risk-Based Assessment and Closure of Golf Course Maintenance Yard (AOC 9) and Pesticide Rinse Area (SWMU 58), Naval Air Station Fort Worth, Joint Reserve Base, Carswell Air Force Base, Texas." The report is dated July 1999. Previously submitted comments, dated July 7, 1998 have been adequately addressed. I concur with the closure of the site under Risk Reduction Standard 1.

Please contact me at (214)665-8306 should you wish to discuss this further.

Sincerely,

A handwritten signature in cursive script that reads "Gary W. Miller".
