MEMORANDUM FOR HQ AFSC/SEW

SUBJECT: After Action Report (AAR) for the Explosives Ordnance Investigation and Removal for the Former Offsite Weapons Storage Area (WSA) Explosives Ordnance Disposal (EOD) Range at the Former Carswell AFB, Fort Worth, Texas

References: (a) HQ AFSC/SEW Memorandum, 9 January 2007, Subject as above

- (b) DDESB-KO Memorandum, 31 March 2006, Subject: Explosive Safety Submission (ESS) for the Explosive Ordnance Investigation and Removal for the Former Offsite Weapons Storage Area (WSA) Explosives Ordnance Disposal (EOD) Range at the Former Carswell AFB, Fort Worth, Texas
- (c) E-mail Message from Capt Matthew Anderson, USAF, AFSC/SEW, to Ms. Lydia Sanchez, DDESB Staff, 31 January 2007, Subject: Appendix E_AAR Additions

The DoD Explosives Safety Board (DDESB) Staff reviewed the subject AAR provided via reference (a), against the explosives safety submission (ESS) approved by DDESB via reference (b). According to reference (a), the response action at the former Offsite WSA EOD Range, Carswell AFB, Texas, was accomplished in accordance with the approved ESS. The AAR indicates that the munitions debris and other metallic debris remaining at the site do not constitute a safety hazard and would not preclude the property from being suitable for residential re-use. Based on this certification and other information provided, we concur with the Air Force's plan to release the property for residential use.

The point of contact for this action is Ms. Lydia E. Sanchez, (703) 325-1373, DSN 221-1373, E-mail address Lydia.Sanchez@ddesb.osd.mil.

 CURTIS M. BOWLING
 Acting Chairman
 DDESB
