Subj: HERBICIDE ORANGE RESTRICTED AREA

Encl: (1) Map Illustrating Restricted Area

1. The DPDO staging area adjacent to the Herbicide Orange restricted area is suspected to have also been used for storage of Herbicide Orange in the past. The Air Force will therefore be taking soil samples from this area to determine if contamination is present.
2. Until further notice, vehicles and personnel will be restricted from this area as shown in enclosure (1). Analysis of samples will be completed by 15 March 1985 and a determination made as to whether further restrictions are necessary.
