Authority for Discharge

Dear LTJG Flynn,

Attached is the Harrison County Wastewater and Solid Waste Management District authorization to release to sanitary sewer the decontamination water from the subject action. B.R. Sullivan will be contacting your office to coordinate the release and the pick-up of the PPE in the week of May 4, 1998.

Should you have any questions or a need to contact me, I can be reached at our Charleston office at (803) 554-0100 or I can be paged at (888) 995-8451.

Sincerely,

Dear Mr. Wilson:

The District has reviewed your request for one time authority to discharge approximately 50 gallons of decontamination water from NCBC to the Gulfport Wastewater Treatment Plant. Based on the test results, this request is approved.

This represents a one time authority for such a discharge. You are reminded that any future discharge would require separate and complete testing prior to consideration.

Sincerely,

Jerry L. Davis
O&M Contract Administrator
