Re: Draft Engineering Evaluation/Cost Analysis for Canal Road Dredge Piles, Naval Construction Battalion Center Gulfport, Mississippi, March 2007.

The Mississippi Office of Pollution Control has reviewed the above referenced document received on 19 April 2007. The document is adequate for the intent and should be issued as final when concerns by all reviewers have been adequately addressed.

Please feel free to contact me if I can be of further assistance.

Sincerely,

Bob Merrill
