Dear Steve:

I am in receipt of your letter of November 3, requesting the use of Twenty-Eighth Street Elementary School for several hours after school on the date of January 11. I am pleased that Barbara Thomas is working with you on this issue, and as long as the date does not conflict with any events she may have scheduled then I certainly have no problem allowing the use of the building. If there is anything the system can do to assist you with this project, please do not hesitate to ask. I am forwarding a copy of this letter to John Long and David Kelley so they may be aware of your use of the building.

I hope the meeting goes well.

Sincerely,

Carlos D. Hicks
Superintendent
