CERTIFIED - RETURN RECEIPT

Captain Heffernan
Public Works Department
Naval Air Station
Post Office Box 5
Jacksonville, Florida 32212

Dear Captain Heffernan:

Request Notice No. JRN-16-2214
Roto-Rooter Sewer Service of Duval County, Inc.
AKA Ettlenger's Pit
Duval County - Industrial Waste Enforcement

The State of Florida Department of Environmental Regulation has reason to believe that past disposal practices at the Ettlenger's Pit site on Kelly Street in Jacksonville, Duval County, Florida may have contributed to soil, surface water and groundwater contamination.

The Department is presently investigating the site and contacting potential responsible parties. Therefore, the Department requests that you respond to the following questions regarding your involvement with Roto Rooter Sewer Service of Duval County, Inc. and/or the Ettlenger Pit site.

Please identify any waste material generated by you and transported for disposal at the subject site. Provide the following information regarding those waste materials:

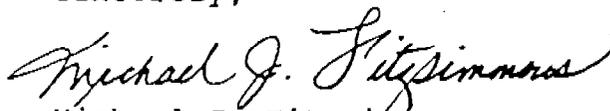

1. Source of waste material
2. Types of waste material
3. Quantities of waste material
4. Analytical data on waste material
5. Time frames during which your wastes were transported for disposal at the subject site.
6. Copies of any contracts and/or agreements you had with the transporters and/or property owners of the subject site.
7. Any documents you have regarding waste shipments to the subject site for disposal purposes.

Pursuant to Section 403.727(4), Florida Statutes, the Department has the authority to seek from responsible parties all costs of removal or remedial action incurred by the Department under this section and damages for injury to, destruction of, or loss of natural resources, including the reasonable costs of assessing such injury, destruction, or loss.

Please submit the information requested above within 14 days from receipt of this notice. Any questions regarding this matter should be directed to Janet Gray, or me, at the letterhead address or telephone number. Your cooperation will be appreciated.

Sincerely,

Michael J. Fitzsimmons
Environmental Manager
