Re: REQUEST NOTICE NO. JRN-16-2214

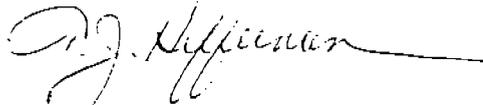

Dear Mr. Fitzsimmons:

In regard to the subject request Notice, please provide this office with copies of Ettlengers Pit site records which identify Naval Air Station Jacksonville as a potential contributor to contamination at the Kelly Street site.

There are no records, contracts or agreements available at Naval Air Station Jacksonville which indicate our association with Rotor Rooter Sewer Service of Duval County, Inc. or the Ettlenger Pit site. A recent records search at the Federal Archives and Records Center, East Point, Georgia concluded that all such Naval Air Station Jacksonville records from 1959 through 1977 were routinely destroyed at various times between 1967 and 1983.

There being no available records makes it impossible for us to answer questions 1 through 7 of the subject request Notice.

Sincerely,

T. J. FITZSIMMONS  
CAPTAIN, USN  
PUBLIC AFFAIRS OFFICER  
BY MAIL ROOM  
COMMANDING OFFICER
