FREEDOM OF INFORMATION REQUEST

Sir;

I respectfully request that I be furnished with a complete listing of all funds received, and expended, for cleanup of all identified hazardous waste sites on Naval Air Station, Jacksonville, Fl., over the past five years.

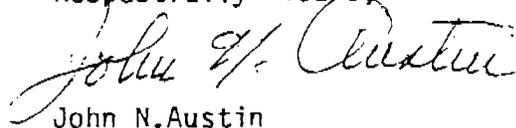

Please identify each hazardous waste site that has been cleaned up in the past five years, the disposition of the hazardous materials, the cost of each particular site that has been cleaned up, and by whom.

Please identify all known hazardous waste sites on Naval Air Station, Jacksonville Fl. that have not been cleaned up, the estimated cost of each cleanup, and estimated cost of final cleanup of all known hazardous waste sites on Naval Air Station, Jacksonville Fl.

Please determine if the Naval Dumps pose no threat to the St. Johns River, today, or in the future, as stated in today's editorial of the Florida Times-Union, by Mr. Nick Young, Naval Air Station Public Relations Department. (Copy of editorial enclosed.)

An early reply to this FREEDOM OF INFORMATION request will be appreciated.

Respectfully Yours

John N. Austin
