RE: Remedial Response Decision System (PA/SIs) Final
Updates for PSCs 23, 31, 35, 44, 49, and 51.
Jacksonville, Florida

Dear Mr. Gaskins:

I have completed the review of the above referenced documents dated June 1999 (received June 28, 1999) and have the following comments.

PSC 23. Former Skeet Range

I concur with reevaluating the No Further Response Action Planned (NFRAP) proposal once the golf course expansion is finished.

PSC 31. Former Asphalt Mixing Area

A No Further Investigation with Institutional Controls concurrence letter is being drafted for our Secretary's signature.

PSC 35. Former Temporary Transformer Storage Area

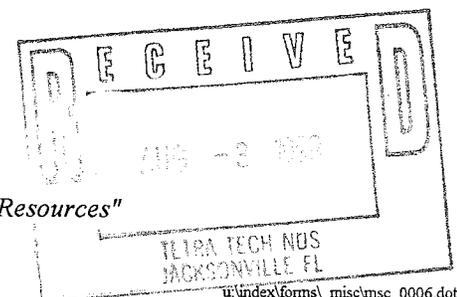

Since sampling has not revealed contamination, I concur with the recommendation of No Further Investigation for this site.

PSC 44. Drainage Ditch West of Ajax Street

A No Further Investigation with Institutional Controls concurrence letter is being drafted for our Secretary's signature.

"Protect, Conserve and Manage Florida's Environment and Natural Resources"

Printed on recycled paper.

Mr. Dana Gaskins

PSC 49. Commisary Battery Charging Station

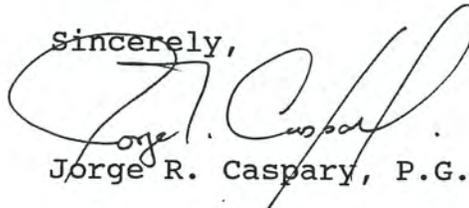

Since sampling has not revealed contamination, I concur with the recommendation of No Further Investigation for this site.

PSC 52. South Antenna Firefighting Training Area

The recommendation to proceed with a RI/FS at this site is acceptable.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
