LETTER REGARDING U S EPA REGION IV COMMENDATION OF OUTSTANDING
PERFORMANCE IN ENVIRONMENTAL RESTORATION FOR FISCAL YEAR 2006 NAS
JACKSONVILLE FL
03/14/2007
U S EPA REGION IV

FLORIDA ENVIRONMENTAL PARTNERING ALLIANCE

March 14, 2007

*Florida Department of
Environmental Protection*

NAS Jacksonville Tier 1 Team:

On behalf of the Florida Environmental Partnering Alliance (FEPA) I would like to commend your Team for outstanding performance in environmental restoration at NAS Jacksonville during Fiscal Year 2006.

*U S Environmental
Protection Agency,
Region 4*

In addition to the ongoing remedial investigations at NAS Jacksonville, the Tier 1 Team's diligence and hard work resulted in one Record of Decision, one Remedial Action Start, two Remedial Action Completions and a Five Year Review completion. These accomplishments and the resulting progress towards site closeout contributed substantively to the Navy's overall environmental cleanup program at their facilities in Florida and throughout the southeast.

*Regional Environmental
Coordinator
Naval Air Station
Jacksonville*

Again, FEPA offers its congratulations on a job well done during FY06, and our wishes for continued successes in the environmental restoration program at NAS Jacksonville.

Sincerely,

Earl L. Bozeman, Jr., Chief
FL/AL/MS Federal Oversight Section
