RE: TECHNICAL REVIEW COMMITTEE MEETING

Dear Mr. Vargas:

We invite you to participate in the Technical Review Committee meeting on 29 October 1992. During this meeting we will review the additional field work to be performed at Operable Unit One, and the comments received on the proposed work plan for Operable Unit Two. In addition, we will review the schedules for Operable Unit One, Two, and Three. If you can not attend, please send your representative. The meeting will be in the main conference room of the Bachelors' Officer Quarters (BOQ), Building 11. An agenda is enclosed for your use.

Please contact Mr. Kevin Gartland, Environmental Division, Facilities and Environmental Department, at (904) 772-2717 to confirm your attendance by 16 October 1992.

Sincerely,

M. M. JACOBSON  
LT, CEC, USN  
Environmental Director  
By direction of the Commanding Officer
