RE: Monitoring Report for Bldg. 101. NAS Jacksonville,
Florida

Dear Ms. Lloveras:

I have reviewed the above referenced documents dated September 1998 (received September 21, 1998). The document is adequate for its purposes. Please note, the groundwater information being collected for Bldg. 101 should also be part of the forthcoming Operable Unit 3 Remedial Investigation.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
