RE: Removal Activities in the NAS Jacksonville, Florida,  
Community Relations Plan

Dear Mr. Murphy:

Information on community involvement during a removal action pursuant to 40 CFR 300.415 (m) at your facility has not been addressed in your Community Relations Plan (CRP). Please refer to the attachments below and submit an addendum to me for review and comment.

This addition to your CRP will expedite the facility's ability to implement the requirements of the regulations in the event of a removal action and inform the public of facility plans and actions.

Upon finalization of the addendum, it can then be placed in your Administrative Record and Information Repository.

If you have any questions, please call me at (404) 347-3016.

Sincerely,

A handwritten signature in cursive script that reads "Carl R. Froede Jr.".
