Mr. Joseph G. Wallmeyer
Director, Environmental Division
Naval Air Station
Jacksonville, Florida 32212-5000

Dear Mr. Wallmeyer:

The staff of Water Resources Division has had the opportunity to review the Draft Community Relations Plan for the Naval Air Station, Jacksonville, dated March 7, 1991. We support the objectives outlined in the Community Relations Programs and the specific strategies described for accomplishing each objective. We would suggest some changes in Attachment C regarding your mailing list. Under local agencies, the change and addition recommended are as follows:

Ms. Christi Veleta
Program Manager
Environmental Protection Board
City of Jacksonville
421 W. Church Street, Suite 412
Jacksonville, Florida 32202

Mr. Jim Sewell
Bio-Environmental Engineer
Hazardous Material Activity
Water Resources Division
City of Jacksonville
421 W. Church Street, Suite 412
Jacksonville, Florida 32202

We appreciate the opportunity to review and comment on this document, please keep us informed of future developments in this area.

Sincerely,

Gerald Young
Associate Pollution Control Engineer
