Dear Mr. Tobin:

I am on the Toxics Committee of the Sierra Club. We want to participate in clean-up decision making processes for Duval and surrounding counties. We would like to be placed on the mailing lists of the Superfund Sites in our area. They include: Cecil Field Naval Air Station, Coleman-Evans, Hipps Road Landfill, Jacksonville Naval Air Station, Pickettville Road Landfill, Whitehouse Oil Pits, and Yellow Water Road.

I would appreciate an acknowledgement of this letter so that I know we have been placed on all of the lists. Send all mail to the name and address below.

Sincerely yours,
