Subject: Extension of Calendar Year 2016 NAS Jacksonville Site Management Plan (SMP) Deadlines, Extension Number 2016-01.

From: Adrienne Wilson, Navy

Pete Dao, USEPA Region 4

To: File

In accordance with Part XXIII of the October 23, 1990, Federal Facilities Agreement, deadlines established in the SMP may be extended pursuant to part XXIV. Below is a request for extending a deadline date in accordance with Part XXIV, paragraph A.1-4 as agreed to by the parties and is extended in accordance with paragraph E. The change recorded in this memo will be reflected in the calendar year 2016 Final SMP.

1. **OU/SITE Number & Description:** Operable Unit (OU) 9 PSC 45 Building 200 Wash Rack.
2. **Deadline or schedule being extended:** Submittal of the Draft Feasibility Study for OU 9 Naval Air Station (NAS) Jacksonville, Jacksonville, Florida.
3. **Length of extension/new deadline:** 8 month extension for submitting the Draft FS from December 31, 2015 to August 31, 2016.
4. **Good Cause**
 - € Force Majeure
 - € Another Parties Failure
 - € Dispute Resolution
 - € Delay caused by extension granted for other deadline
 - Events or series of events mutually agreed to by the Parties

5. Brief description/Explanation of cause:

The Navy's contract expired with the contractor to complete this effort. Therefore this effort is currently without a contract vehicle to complete the FS effort. The contract will be in place within the first quarter of 2016. An extension to August 2016 will allow for the development of the document and the Navy review and approval prior to sending out to the regulators.

A revised milestone schedule that reflects the milestone extension is attached to this letter.
