Memorandum for the file

Date: March 9, 2016

Subject: Extension of Calendar Year 2016 NAS Jacksonville Site Management Plan (SMP) Deadlines, Extension Number 2016-02.

From: Adrienne Wilson, Navy
Aaron Cohen, FDEP
Pete Dao, USEPA Region 4

To: File

In accordance with Part XXIII of the October 23, 1990, Federal Facilities Agreement, deadlines established in the SMP may be extended pursuant to part XXIV. Below is a request for extending a deadline date in accordance with Part XXIV, paragraph A.1-4 as agreed to by the parties and is extended in accordance with paragraph E. The change recorded in this memo will be reflected in the calendar year 2016 Final SMP.

1. **OU/SITE Number & Description:** Operable Unit (OU) 3 & OU 9 Bldg 200 Wash Rack.
2. **Deadline or schedule being extended:** Submittal of the Draft OU3 Feasibility Study Amendment (FSA) & OU9 Proposed Plan (PP) and Record of Decision (ROD) Naval Air Station (NAS) Jacksonville, Jacksonville, Florida.
3. **Length of extension/new deadline:** one year extension for submitting the Draft FSA for OU3 from 3/30/16 to 3/30/17 and the OU9 PP from 3/30/16 to 3/30/17 & ROD for OU9 fro from 8/31/16 to 8/31/17.
4. **Good Cause**
 - Force Majeure
 - Another Parties Failure
 - Dispute Resolution
 - Delay caused by extension granted for other deadline
 - Events or series of events mutually agreed to by the Parties

5. Brief description/Explanation of cause:

The OU3 RI addendum was just recently approved by the regulators. The delay in this approval is the reason the feasibility study amendment will be completed by 3/30/2017. A change in contractor is the reason the OU9 proposed plan had to be delayed from 3/30/16 to 3/30/17. The follow on document for OU9 the ROD is also delayed from 8/31/16 to 8/31/17. The Navy's expects to have all of these under contract by May 30, 2016. Therefore, extensions to the submittal dates for the Draft OU3 FS of 3/30/17 and an extension for the Draft OU 9 PP and Draft OU9 ROD to 3/30/17 & 8/31/17 respectively are required.

A revised milestone schedule that reflects the milestone extension is attached to this letter.
