Dear Ms. Wilson:

The U.S. Environmental Protection Agency has reviewed the Tier II Uniform Policy Sampling and Analysis Plan for OU 3 Area F and G. All EPA comments have been satisfactorily addressed. Although the work plan does not have all the check list for a Tier I UFP QAP, EPA is approving the work plan since it is adequate for the Tier II and purpose of this field effort.

If you have any questions regarding this letter, I can be reached at (404) 562-8508 or at dao.peter@epa.gov.

Sincerely,

Pete Dao
