RE: Site Assessment Report: PCA 18 – Building 3900, Naval Air Station Jacksonville;  
Jacksonville, Florida

Dear Mr. Allen:

I have reviewed the above document dated August 2003 (received August 12, 2003). Documentation furnished with the document indicates that the requirements of Chapter 62-770.680(1), F.A.C. have been met and the site has been recommended for No Further Action. I concur with that recommendation. A Site Rehabilitation Order has been issued and is attached.

If you need further clarification please feel free to contact me at 850-245-8999.

Sincerely,

James H. Cason, P.G.  
Remedial Project Manager
