RE: PROPOSED LEASE OF PSC 36, DEWEY PARK TO THE CITY OF JACKSONVILLE

Dear Mr. Hudson:

Reference is made to your letter of July 7, 1994 and your meeting with Mr. Kevin Gartland, Facilities and Environmental Department, on November 30, 1994 regarding the proposed lease of PSC 36, Dewey Park. In your letter, you concurred with our proposed easement of a road on the eastern boundary of Dewey Park for access to the City's proposed Westside Regional Nature Park. Enclosed is the report of additional investigation of housing debris piles found on the western side of the park. We believe that the debris piles are similar to the other piles identified in other reports previously provided to you.

As discussed in your meeting with Mr. Gartland, we requested that you review this report and advise us by January 16, 1995 if you concur with our proposal to lease Dewey Park to the City of Jacksonville for a recreational park, with the provision that the City properly dispose of the debris piles involved with the development.

If you have questions, please contact either Mr. Kevin Gartland or Ms. Diane Lancaster at (904) 772-2717.

Sincerely,

KEVIN H. GARTLAND
GM-13, Environmental Division Director
By direction of the Commanding Officer
