CITY MO
7/18/1996
JACKSON COUNTY ADVOCATE

THURSDAY, JULY 18, 1996

JACKSON COUNTY ADVOCATE

RESTORATION ADVISORY BOARD MEETING

The next quarterly meeting of the Richards-Gebaur Restoration Advisory Board (RAB) is scheduled for August 8, 1996 at 7:00 p.m. at the Old Belton City Hall, 512 Main Street, Belton, MO. The meeting will review the current status of ongoing environmental activities taking place at the former base, and the community relations plan.

The RAB is an independent citizens advisory panel which provides input into the decision-making process for the environmental restoration of base property for reuse by the community. It serves as a forum for discussion and the exchange of information between the public, the Air Force, the Environmental Protection Agency and Missouri Department of Natural Resources.

The public and representatives of the media are invited to attend and participate in the meeting.
