RE: Data Quality Objectives Process for the Closure  
Parcels. Naval Air Station Key West, Florida

Dear Mr. Patrick:

As you recall, my comments on the above referenced report dated August 22, 1997 (received August 26, 1997) were expressed during the on-board review of the document at our September 11, 1997 meeting. As agreed, I look forward for my comments to be addressed in the forthcoming Draft BRAC Parcel Site Investigation Workplan. I also understand that the NAS Key West team will discuss the workplan at our September 30, 1997 partnering meeting.

In the interim, if I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
