RE: Draft RCRA Corrective Action Management Plan (CAMP).  
Naval Air Station Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated September 16, 1997 (received September 17, 1997). The deliverable schedules express agreements reached in previous meetings and are acceptable, therefore, you should forward a Final copy to this office. Please note, as discussed previously, I look forward to receive a project management plan for the IR sites and, once SOUTHDIV has a better understanding of funding for the closure parcels, I also look forward to receiving a BRAC site schedule of activities.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
