RE: RCRA Corrective Action Management Plan Revision 2.
Naval Air Station Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated September 1997 (received October 27, 1997). As discussed during our October 1997 NAS Key West team meeting, the dates in the CAMP are adequate and address previous comments with regards to timelines; therefore and unless the US EPA has substantial comments that need the document be reprinted, the CAMP is approved as Final.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
