RE: Revision 2 for the RFI/RI for Eight Sites at Naval Air Station Key West. Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated January 1998 (received January 16, 1998). The responses to previous departmental comments have been discussed in earlier partnering meetings and appear to have been adequately addressed in this version of the report; therefore, the report is approved as Final.

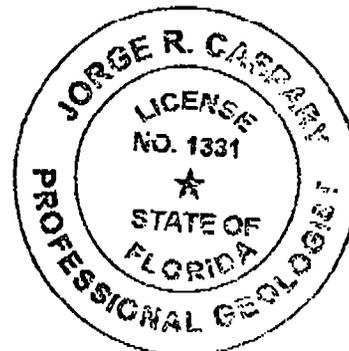

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
