Dear Mr. Patrick:

As you requested, Tetra Tech NUS, Inc. (TtNUS) has submitted the Public Information Package for sites IR 3, IR 7, and AOC B, located at Naval Air Station (NAS) Key West, Florida. The information package was sent to the names on the Key West Environmental Public Distribution List. This deliverable to you includes the Proposed Plans for IR 3, IR 7, and AOC B with their corresponding signature pages, as required by the Navy CLEAN contract. Please call me at (803) 649-7963, extension 345, if you have any questions regarding the enclosed proposed plans.
