P. O. Box 24680
West Palm Beach, FL 33416-4680

Dear Mr. Rosenfeld:

Naval Air Station Key West (NASKW), was issued a General Water Use Permit, Number 44-00206-W, in May 1996 for the purpose of aquifer remediation at the Jet Engine Test Cell (SWMU-9). This permit duration corresponds to the remediation schedule identified in the approved Remedial Action Plan. The remediation at SWMU-9 was completed in July 1997.

Please withdraw our application for renewal of the above referenced permit.

Our point of contact regarding this matter is Mr. Phillip Williams, Installation Restoration Manager, at (305) 293-2061.

Sincerely,

R. A. DEMES
Engineering Director
Public Works Department
By direction of
the Commanding Officer
