RE: Supplemental Site Inspection Report Rev. 1. NAS Key West, Florida

Dear Mr. Patrick:

I have completed the review of the above referenced document dated May 1999 (received May 27, 1999). Based upon extensive NAS Key West team discussions and telephone conferences regarding the extent of soil excavations at the above parcels as well as their upgrades in the text of the document, the subject report is adequate for its purposes.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
