Dear Community Member:

Naval Air Station (NAS) Key West is inviting the public to comment on Proposed Plans for eleven Base Realignment and Closure Act (BRAC) environmental sites. The eleven designated sites are located at Naval Air Station Key West on Truman Annex (8 sites) Hamaca Hawk Missile site (2 sites), and Poinciana Housing (1 site). The Proposed Plans are issued by the U.S. Navy as the lead agency for NAS Key West remedial activities with concurrence by the U.S. Environmental Protection Agency and the Florida Department of Environmental Protection.

Section 117 of CERCLA requires a comment period for the public to review and comment on the proposed remedy. The comment period will begin on Sunday, September 19, 1999, which is the date of publication of the public notice in the Citizen newspaper and will end on Tuesday, October 19, 1999.

The Proposed Plans and the associated administrative file, including the Site Inspection (SI) and Supplemental Site Inspection (SSI) Reports may be viewed and copied at the FDEP office in Tallahassee, Florida between the hours of 8:00 a.m. and 4:30 p.m., Monday through Friday, except legal holidays. Additional copies of the SI Report, SSI Report and Proposed Plans are available for public review at the information repository in the Local and State History Department at the Monroe County Library, 700 Fleming Street, Key West, Florida.

NAS Key West will hold a meeting open to the public on Monday, September 27, 1999 at 7:00 p.m. to present the proposed remedies described in the proposed plans, and address any comments the public may have. NAS Key West encourages the public to attend the meeting which will be held at the Holiday Inn Beachside, North Roosevelt Boulevard, Key West, Florida.
