RE: Sediment Toxicity Report for Sites IR-1 and IR-8. Naval
Air Station Key West, Florida

Dear Mr. Patrick:

Department personnel have reviewed the above referenced report dated August 1999 (received August 30, 1999). Stephen Wolfe, of our Biology Section, has indicated that the responses to his comments are adequate; therefore, the biological monitoring plan should be implemented at your earliest convenience.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
