RE: Monitoring Well Management Plan. NAS Key West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced document dated May 2000 (received June 5, 2000). Based upon team discussions, the workplan being proposed to abandon wells no longer needed by the IR Program is acceptable for its purpose. Implementation of the abandonment program is encouraged as soon as your contracting mechanisms allow it.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.E.
