Gentlemen:

Reference is made to License DACA 21-3-76-3409 under which Camden County operates a Sanitary Landfill on approximately 19.78 acres of Government-owned land at the Naval Submarine Support Base, Kings Bay, Georgia.

The above-mentioned License expired by its terms on 31 October 1980. This Command has been advised that due to unforeseen delays, the new Camden County Sanitary Landfill will not be completed until 15 June 1981 and that you have a requirement for continued use of the landfill located on Government-owned land at Kings Bay.

By this letter, you are authorized continued use of the 19.78 acres of land at Kings Bay for a Sanitary Landfill until 15 June 1981. If the landfill is needed beyond that date, please notify the Commanding Officer, Naval Submarine Support Base, Kings Bay, Georgia.

Sincerely,

Copy to:
