Gentlemen:

The enclosed Preliminary Assessment Part 1 and our Initial Assessment Study are submitted as requested by your letter USEPA reference 4WD-SISB/NR of December 21, 1987. It is our understanding with Southern Division, Naval Facilities Engineering Command, Charleston, South Carolina, that a meeting was held between representatives of Naval Facilities Engineering Command Headquarters and United States Environmental Protection Agency Headquarters on September 23, 1987, whereby it was agreed the submission of Part 1 of the Preliminary Assessment with our Initial Assessment Study is sufficient to satisfy the requirements of Section 120(d)(1) of the Superfund Amendments and Reauthorization Act of 1986.

Should you have any questions concerning this matter, please contact Mr. Michael Anderson, Environmental Engineer, at (912) 673-4620.

Sincerely,

SIGNED

J. L. WELLS
Captain, CEC, U. S. Navy
Public Works Officer
