Re: Site Inspection Information for the Revised Hazard
Ranking System (HRS2)

Dear Commander Grover:

Thank you for your letter of November 9, 1990, informing us that there have been no releases of hazardous substances and that there are no sites posing a potential threat to human health or the environment. You concluded that no Site Inspection is necessary, as requested in our letter of October 18, 1990. Based upon your declaration, we will not require submittal of a Site Inspection report at this time.

If you have questions regarding this matter, please contact Mr. James D. Barksdale, Remedial Project Manager, at (404) 347-3016.

Sincerely yours,

James H. Scarbrough, P.E., Chief
