Dear Mr. Barksdale:

Thank you for your participation in our second Technical Review Committee (TRC) Meeting for the Installation Restoration (IR) Program at Naval Submarine Base, Kings Bay.

The minutes of the meeting are enclosed for your review and comment. As discussed, a time was not set for the next meeting due to the upcoming holiday season and while we await additional cost data and further information on the risk assessment. However, we do intend to meet again before the risk assessment is published as final.

If you have questions regarding the minutes or the IR program in general please feel free to contact either myself or Mr. John Garner. Again, thanks for your hard work on behalf of the community.

Sincerely,

M J PATTERSON
