Dear Sir:

Please contact Mr. Bob Funderburk, Assistant Area Engineer, No. 1 Glynn Avenue, Brunswick, Georgia 31520, telephone number (912) 264-7247, concerning your application for a special encroachment permit to install three (3) recovery wells and four (4) Piezometers, including 430 plus or minus feet of trenching for 1 1/2" diameter influent and 3/4" diameter electrical conduit (both Sch. 40 PVC), plus two (2) road bores (10" steel 2 plus or minus feet C.C.). The proposed work site is located at the property on the west side of the highway beginning 700 plus or minus feet north of the center line of Plantation Village Road and fronting 550 plus or minus feet further north along said highway; and at Mile Post 4.18.

It will be necessary for you or your representative to contact Mr. Funderburk approximately twenty four (24) hours before you begin work to claim your permit copy, your permit identification sign, and to discuss construction schedule, construction methods, traffic control and any special stipulations. Acceptance of the permit copy by you will indicate to us your agreement and intentions to comply with all stipulations and requirements of the permit. No work is authorized on the right of way until you pick up your copy of the permit.

Your copy of the permit must be kept at the construction site and available for inspection at all times. The RED permit identification sign must be displayed within the working area and visible from the highway. After you obtain your permit copy, please attach it to this letter.
