RE: Corrective Action Consent Order
Site 11 - Old Camden County Landfill

Dear Captain O'Neal:

The Georgia Environmental Protection Division (EPD) has received the Navy's letter of December 14, 1993 requesting revisions to the proposed Corrective Action Consent Order between the Naval Submarine Base (NSB) and EPD concerning the remediation of contaminated groundwater at the Old Camden County Landfill. The requested revisions to the proposed Consent Order are currently being reviewed and considered. We have also received a subsequent letter, dated December 27, 1993 formalizing a telephone request for an extension of time for signing the proposed Consent Order. EPD hereby grants the requested extension until January 22, 1994.

If you have any questions or need further assistance, please contact Madeleine Kellam or Bruce Khaleghi at (404) 656-2833.

Sincerely,

Bruce Khaleghi
