Release #27-94  
3 August 1994

## RESTORATION ADVISORY BOARD PLANNING MEETING

(KINGS BAY, GA) -- Naval Submarine Base (NSB) Kings Bay is expanding and improving opportunities for public involvement in the base environmental cleanup program. The first step in this process is the establishment of a Restoration Advisory Board (RAB). The first public information session to discuss the purpose of the RAB and the selection process for members will be held on Thursday, Aug. 18, at the Crooked River Elementary School, beginning at 6 p.m.

The RAB is a forum for the discussion and exchange of information among members of the community, representatives of the Navy and local, state and federal environmental regulatory agencies. The RAB will serve as a link between the

RAB MEETING 2-2-2

community and the Navy. The Navy is currently soliciting membership from the local community to participate in the RAB. Applications will be available at the Aug. 18 meeting.

Future RAB meetings, like this one, will be open to the public and held at regular and convenient times and locations. Meeting minutes will be made available to the public and placed in the Information Repository at St. Marys' Library.

For more information contact John Garner at 673-8845, or JOC Stacey Byington at 673-4714.
