RE: Request for Extension

Dear Captain Williams:

The Georgia Environmental Protection Division (EPD) has received the Navy's letter of November 7, 1994 requesting an extension to the schedule for submission of the Interim Measures Engineering Evaluation and Recommendation Report for Site 11. EPD hereby grants the requested extension until December 9, 1994.

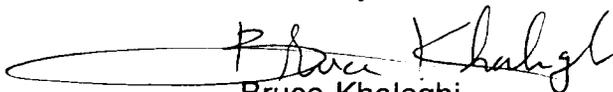

This letter will also acknowledge receipt of the following documents concerning Site 11:

- Technical Memorandum 1993 Field Program and January 1994 Groundwater Sampling Event
- Interim Measure Phase I Activities: System Installation Technical Memorandum
- Interim Measure Site Preparation and Treatment Facility
- Supplemental Resource Conservation and Recovery Act Facility Investigation

These documents are being held for review with the Interim Measures Engineering Evaluation and Recommendation Report. Comments on these documents will be sent to you following receipt of the evaluation and recommendation report.

If you have any questions or need further assistance, please contact Madeleine Kellam at (404) 656-2833.

Sincerely,

Bruce Khaleghi
Unit Coordinator
Hazardous Waste Management Branch
