Approval of Request for Extension

Dear Sir:

We have reviewed your request for extension to reply to our June 14, 1995 Notice of Deficiency. By this letter we approve an extension to reply until September 21, 1995. After our meeting in September we may entertain a request for further extension, but only upon Subase's presentation of compelling evidence such extension is necessary.

If you have questions please contact Billy Hendricks at 404-656-2833.

Sincerely,

Bruce Khaleghi, Unit Coordinator
Hazardous Waste Management Branch
