Atlanta, GA 30334

Dear Mr. Khaleghi:

Thank you for your letter of December 4, 1995 requesting our revised schedule for submitting the Corrective Action Plan (CAP) and updated Interim Measures Report for Site 11, Old County Landfill.

Per conversation between Billy Hendricks of your office and myself on December 19, 1995, we will submit both of these documents for your review before March 15, 1996. This gives ample time for the Navy and the United States Geological Survey (USGS) to review them before they come to you.

We appreciate the assistance you have provided toward our common goal of final remediation of this site. Your involvement and guidance is very important to us. SUBASE point of contact is Mr. Sandi Mukherjee, (912) 673-2001, extension 1217. Please address all correspondence to "Commanding Officer, 1063 USS Tennessee Avenue, Naval Submarine Base, Kings Bay, GA 31547-2606."

Sincerely,

JOHN R. GARNER
Leader, Environmental Division
