Dear Mr. Khaleghi:

Naval Submarine Base Kings Bay will hold a Restoration Advisory Board Meeting on March 4, 1999 at the St. Mary's Library at 10:00 a.m. Bechtel Corporation will present the results of the in-situ chemical oxidation treatment of the contamination from the Old County Landfill on SUBASE property. Future remediation actions will be discussed.

We hope you will attend as there are usually issues and questions regarding Georgia regulatory requirements. The SUBASE Kings Bay point of contact on this matter is Ms. Rhonda L.
