Dear Mr. Khaleghi:

Please find for your review enclosure (1), Work Plan No. 2 for Groundwater Remediation at Site 11, Old Camden County Landfill. We would like to inject a chemical oxidizer into the source area. We will then inject vegetable oil to provide a carbon source to enhance biodegradation of chlorinated ethenes.

I certify under penalty of law that this document and all attachments were prepared under my direct supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

The SUBASE Kings Bay point of contact is Mr. Ken Yargus, (912) 673-2001, extension 1217. Please address all
