Re: Request to Reduce Frequency of Monitoring, Site 11 Well KBA-11-02
5090 Ser FE4/1845

Dear Sir:

We have reviewed your request of August 1, 2001, to reduce the frequency of monitoring for well number KBA-11-02 at Site 11, the Old Camden County Landfill at the Naval Submarine Base Kings Bay, identified in your Hazardous Waste Facility Permit, HW-014(S&T)-3 as Solid Waste Management Unit (SWMU) Number 3. You requested a reduction from quarterly sampling and analysis to an annual schedule. Based on the history of this well and this site, we conclude that this reduction is warranted.

This change constitutes a Class I Modification to your Permit requiring prior approval by the Director. By this letter we approve this modification, to be effective immediately.

Thank you for your continuing interest in Georgia's environment. If you have questions or comments, please contact Billy Hendricks or Larry Papetti at 404-656-2833.

Sincerely,

Bruce Khaleghi, Unit Coordinator
Hazardous Waste Management Branch
