Re: Quarterly Groundwater Monitoring Report, Site 11

Dear Sir:

We have reviewed the Quarterly Groundwater Monitoring Report for Site 11, the Old Camden County Landfill, at the Naval Submarine Base Kings Bay. The report, covering the period April through June 2001, is acceptable as submitted and satisfies the requirements of Sections IV.C.4. and 5. of your Hazardous Waste Facility Permit.

We note with interest the continued improvement of groundwater quality in the wells both onsite and offsite. Thank you for your continuing interest in Georgia's environment. If you have questions or comments, please contact Billy Hendricks or Larry Papetti at 404-656-2833.

Sincerely,

for
Bruce Khaleghi, Unit Coordinator
Hazardous Waste Management Branch
