Re: Response to Notice of Deficiency,
Groundwater Monitoring Program Site
11, Old Camden County Landfill, Naval
Submarine Base Kings Bay

Dear Sir:

We have reviewed the response provided to our July 27, 2001 Notice of Deficiency for the Site 11, Old Camden County Landfill Groundwater Monitoring Program. Your response acceptably addresses the requirements of our NOD.

In your response you requested our concurrence with a proposal to show individual data values next to each well in lieu of constructing groundwater contour lines with limited data. We concur with this request; please make this change to subsequent reports at your convenience.

Thank you for your continuing interest in Georgia's environment. If you have questions, please contact Billy Hendricks or Larry Papetti at 404-656-2833.

Sincerely,

Bruce Khaleghi, Unit Coordinator
Hazardous Waste Management Branch
