Dear Sir:

On May 21, 2002, the Naval Submarine Base Kings Bay requested permission to abandon the injection wells used in the Interim Measure at Site 11, the Old Camden County Landfill. Based on your certification that this Interim Measure is complete, and the exceptional results achieved during this Interim Measure, the request is approved. You may proceed with the removal and abandonment at your convenience. Within 45 days of completion of this abandonment, please provide a brief report documenting this removal and abandonment.

Thank you for your continued interest in protecting Georgia's environment. If you have questions, please contact Billy Hendricks or Larry Papetti at 404-656-2833.

Sincerely,

Bruce Khaleghi, Unit Coordinator
