RE: Issuance of 1984 Hazardous and Solid Waste Amendments (HSWA) Permit
EPA I.D. No. FL9 170 024 260

Dear Captain Mitchell:

Enclosed is the HSWA permit to cover those provisions that affect your facility. This permit, together with the permit issued by the State of Florida constitutes a full Resource Conservation and Recovery Act (RCRA) permit.

Issuance of this permit is in accordance with 40 CFR §124.15. The permit is effective as of the date of this letter.

The conditions of the permit and the applicable RCRA regulations in effect at the time of permit issuance and referenced in the permit shall be complied with throughout the life of the permit. Please send a copy of all future reports to EPA in order to meet the requirements of this permit to the attention of:

Mr. James H. Scarbrough, P.E.
Chief, RCRA Branch
Waste Management Division

U.S. Environmental Protection Agency
345 Courtland Street, N.E.
Atlanta, Georgia 30365

Enclosed in this permit is a Facility Submission Summary sheet which should aid you in submitting identified tasks throughout the permit period. Please note that the Solid Waste Management Unit Investigation Plan required by Condition II.A.2 is called RCRA Facility Investigation (RFI) Plan. The RFI should be prepared in accordance with condition II.C. of Part II of this permit. All previous and subsequent submittals of plans and/or reports from the Navy Installation Restoration Program (IRP) will be fully considered in meeting the requirements of this permit.

If there are any questions concerning the permit, please contact Mr. James H. Scarbrough, of my staff at 404/347-3016.

Sincerely yours,

Patrick M. Tobin, Director
Waste Mangement Division
